Attorney Docket No. A6457

NOTICE

This is a decision on the petition, filed April 5, 1996, requesting withdrawal from issue of the above-identified application.

The petition is granted.

Petitioner requests withdrawal from issue because the present Figure 7 in the application as allowed does not correspond to the specification at pages 34 and 35 of the application and requests substitution of the proper figure to correct this error.

This application is withdrawn from issue for resolution of the filing date issue noted by petitioner.

This application will be forwarded to the Special Program Law Office for action in accordance with this decision.

The issue fee is refundable upon written request. However, if the application is again found allowable, the issue fee can be applied toward payment of the issue fee in the amount identified on the new Notice of Allowance and Issue Fee Due upon written request. This request and any balance due must be received on or before the due date noted in the new Notice of Allowance in order to prevent abandonment of the application.

Since withdrawal from issue was not necessitated by any mistake on the part of the Patent and Trademark Office, the \$130 fee for this petition will be charged to petitioner's Deposit Account No. 19-4880.

Telephone inquiries concerning this matter may be directed to the undersigned at (703) 305-8680.
